HISPANIC BAR ASSOCIATION OF MICHIGAN

The Hispanic Bar Association of Michigan (HBAM) was formed in 1991 to cultivate the science of jurisprudence; promote reforms in the law; facilitate the administration of justice; and elevate the standard of integrity, honor, and courtesy in the legal profession in the State of Michigan.

Our Goals

HBAM is an organization of like-minded, legal professionals who are interested in making a difference. HBAM's goals focus on key aspects of community engagement and impact:

1. Provide a voice for Michigan's Hispanics, especially those involved in the legal profession,
2. Counsel and assist the Hispanic community while supporting local and charitable organizations,
3. Advocate for greater representation of Hispanics in the legal profession and public office, and
4. Facilitate communication among Michigan attorneys and others concerned with the law.

Community Impact: An Advantage of Membership

Many current and past practitioners began their legal careers because they wanted to make a difference. Many of them remain active in their communities and search for ways to contribute their time, money, or expertise to benefit the public at large.

For these reasons, our community events include an annual charity fundraiser; seminars and pro bono law clinics; sponsorship of educational programs and mentorships; and providing a network for young individuals to access more opportunities for experience and networking.

Building Your Practice: Your Personal Advantage

The population of Hispanic individuals and businesses in Michigan will continue to grow in the coming decades. A growing population means a greater need for assistance and legal services in all areas of concern: from family matters to criminal defense; from personal injury and benefit claims to business formation; from asylum and refuge to naturalization; from sole proprietors to future corporations they will all need the expertise of legal professionals through every step.

HBAM aims to connect attorneys and clients through networking events with sister organizations that include the National Society of Hispanic MBA's, the Michigan Hispanic Chamber of Commerce (MHCC), the Michigan Association of Mexican Professionals (APROMEX), and through internal, member-to-member referrals.

We can refer your clients to lawyers who speak Spanish!
