Law is a second career for Lori Mireles-Smith. Previously, she spent 23 years in Order Processing/Licensing Management for high-end engineering firms in Troy before deciding to pursue her life-long dream of being an attorney.

While attending law school, she was President of the Hispanic & Latino Law Students Association and worked with HBAM to offer free legal clinics for the southwest Detroit and Pontiac communities.

She is currently at her dream job as an Assistant Prosecutor for the Wayne County Prosecutor's Office.
